

**The Corporation of the Township of Gillies
By-law no. 2022-09**

Being a By-law to establish fees and charges for municipal services

Whereas the municipal act, 2001, S.O. 2001, provides that a municipality may pass By-laws imposing fees or charges on any class of person; and

Whereas pursuant to the building code act, 1992, S.O. 1992 c 23 as amended, Council may require the payment of fees on applications for the issuance of building permits and prescribing the amounts thereof; and

Whereas the Corporation of the Township of Gillies deems it expedient to consolidate and update the fees and charges to be collected by the various departments of the Township of Gillies;

Now therefore the Council for the Corporation of the Township of Gillies enacts as follows:

1. Council hereby establishes the fees and charges as set out in schedule a of this By-law for the Township of Gillies (Gillies). The fees and charges will be subject to harmonized sales tax (HST) where applicable.
2. That the fees and charges shall be adjusted annually.
3. Despite paragraph 2, fees and charges may be adjusted as approved by Council, to recover at a minimum, respective service, administration, and capital costs, as well as costs for any other purpose in any amount permitted under applicable law.
4. Payment is received at the time of the transaction for which the fee or charge is imposed, or upon the due date specified in the terms of a contract signed by the township of an invoice issued by the township.
5. That any portion of a fee or charge that remains unpaid beyond the date fixed for payment shall bear interest at the rate of 1.25% after (30) thirty days and each month thereafter until such fee or charge is paid in full.
6. Persons having not prepaid for services shall be required to sign an Equipment/Operator Agreement (schedule "B"). That person will be required to demonstrate proof of residency or ownership in Gillies. The Treasurer shall issue an invoice, which will be mailed to the person who signed the Equipment/Operator Agreement, at the earliest opportunity. Invoices shall be provided, and payment received thirty (30) days from the date of the invoice. Late payments will be subject to interest as stated in item 5 of this By-law.

A person signing an Equipment/Operator Agreement is deemed to sign on behalf of every owner of the property. The Equipment/Operator Agreement contains a statement whereby the person signing the document expressly acknowledges that he or she has the authority of the other property owners to sign the document and bind all of them to the payment. Disputes with respect to this authority are disputes between the property owners and/or occupants themselves and cannot involve the township.

The Equipment/Operator Agreement contains a statement indemnifying the Corporation of the Township of Gillies, its Council, and employees, and releasing the above from any/all liability related to the request.

7. Where applicable, the Township of Gillies may add uncollected fees payable under this By-law, or any other By-law of the Township of Gillies that sets out fees for permits, purchases, licences, or other matters, to the tax roll for property owned by the person who owes the fees and collect them in like manner as municipal taxes are collected. As at the time they are added to the tax roll, the interest rate specified in item 5 shall cease to apply, and interest and penalties applicable to unpaid taxes shall apply instead.
8. That where this By-law established a fee and charge for a fee that also exists in another By-law that predates the effective date of this By-law, the fee and charge in this By-law shall be the applicable fee and charge and the other By-law is hereby effectively amended.
9. Should any part of this By-law, including any part of any schedule, be determined by a court of competent jurisdiction to be invalid or of no force and effect, it is Council's intention that such invalid part of this By-law shall be severable and that the remainder of this By-law including the remainder of the impugned schedule, as applicable, shall continue to operate and to be in force and effect.

10. General provisions

- a) All fees are payable to the township of Gillies, either at the time the service is requested, after the completion of the service or as invoiced by the township, as indicated in schedule "A".
- b) Schedule "A" "the fee schedule" attached hereto forms part of this By-law and may be amended from time to time as deemed required, through resolution by Council
- c) Schedule "A" "the fee schedule" shall be posted for public inspection
- d) Requests for services and/or documents may be provided in person, verbally and/or in writing.
- e)

11. Use of roads department equipment

- a) Fees are payable 30 days after the date of invoice, after which 1.25% interest will be charge on the first of each month thereafter
- b) The fee includes the use of the equipment and the operator
- c) Roads equipment will only be used by municipal staff within the boundaries of the township.
- d) An Equipment/Operator Agreement as outlined in item 6 must be Signed prior to work commencing.

12. All previous Fees and Charges By-laws are hereby repealed.

hereby enacted and passed this 27th day of June, 2022.
