FROM THE DESK OF THE REEVE

Greetings Gillies!

August has been a great month around the Township! It's so nice to see roadside stands again. Take a drive around and find the best in local produce!

September is upon us bringing Autumn vibes and the kids back to school. Please be careful and remember the school buses are running again. Welcome back Whitefish!

The Municipal Election is fast approaching and the cut-off date for nominations was August 19. As there are 5 candidates running for 4 council positions, there will be an election on October 24 to welcome in a new Council that will begin a new 4-year term in November.

Green Acre Variety held an Appreciation Day that was well attended by locals and as always, we Thank them for everything they do as well.

The Community Centre is going to be getting back into events and activities. Keep a look out for what's coming!

Enjoy the rest of the summer and the oncoming Autumn vibes!

Take Care of You and Yours

Reeve Wendy Wright

Regular Council Meeting Dates:

September 12th & 26th 2022

Meetings start at 6:30 pm (unless noted) and are open virtually to the public. Please see website for more information on how you can attend the meetings virtually. Copies of the agenda are available on the website

Council News

- Council has implemented the new Land Acknowledgement as part of moving forward with regards to Truth and Reconciliation. This is an ongoing process, and we will be striving to implement further actions. The office will be closed on September 30th in honour of Orange Shirt Day.
- The RFP (Request for Proposals) for the new Official Plan and Zoning Bylaw has been approved by Council. Future planning is an important aspect of what we do as Council.
- Tax bills were sent out at the beginning of August.
- August 19 came and went with five official candidates putting their names forward for Council seats with the election being October 24. Reeve Wright was acclaimed.
- The new PAWS Act information is up on the website. This is a great reference for everyone who has animals in their families.

Seasoning Cast Iron Skillets By Kathy McGowan

Last week while a storm was rolling in, I decided to hunker down inside to do some chores. The thunder gave me an excuse to procrastinate weeding the gardens for the umpteenth time this summer. I needed a break from the nasty mosquitoes, too!

I looked at my collection of tired-looking cast iron skillets and thought it was time to spruce them up.

I applied a thin coat of vegetable oil with a paper towel over the entire surface of each pan and lid. In a pre-heated 350 degree oven, I inverted the pans and lids on the racks and then placed a cookie sheet underneath to catch oil drips. An hour later, I removed the cookware from the oven (wearing thick oven mitts) and wiped off excess oil with a clean paper towel.

I set the cookware on a couple of clean towels to completely cool and dry before storing in the cupboard. I put a piece of paper towel between the stacked pans and lids to protect them from being scratched. I don't store my cookware with the lids on; I made that mistake once. High humidity may trap moisture inside the cookware, leading to rust.

Seasoning helps extend the life of the cast iron cookware, prevents rust, and adds a non-stick coating. Since I use cast iron cookware a lot, I normally season them in the oven every two-to-three months. Some of my cast iron skillets are more than 25 years old, and they're in excellent condition because I take care of them. One of the skillets belonged to my grandmother. Every time I use it, I cherish the memories of our time together cooking, gardening, preserving food and sharing.

Kathy McGowan owns and manages **Misty Meadows Permaculture Farm** www.facebook.com/MistyMeadowsPermaculture in the Township of Gillies in Robinson-Superior Treaty (1850) territory, the traditional territory of the Anishinaabeg.

Off-road Vehicle Safety and Rules

- Off-road vehicles (ORVs) are year-round utility and recreational vehicles that must be:
 - registered
 - display a licence plate
 - insured under a motor vehicle liability policy
- When riding on-road or off-road the driver of an ORV must carry and produce the registration permit or a true copy and proof of insurance for the ORV.
- When riding on-road or off-road, drivers and passengers must wear an approved motorcycle helmet, securely fastened under the chin with a chin strap.
- For on-road riding, a driver must:
 - be at least 16 years old
 - hold at least a valid G2 or M2 licence
 - wear a seat belt, where provided
 - travel at speeds less than the posted speed limit

Posted speed limit for cars and trucks	Max speed limit for ORVs
Speed limit over 50 km/h	50 km/h
Speed limit 50 km/h or less	20 km/h

- For on-road riding, a passenger on an ORV:
 - must be at least 8 years old
 - must wear a seat belt or use foot rests, when applicable
- When travelling along a road, your ORV must:
 - be driven in the same direction as traffic
 - travel on the shoulder (if the shoulder is unsafe or not wide enough, an ORV can be driven on the travelled portion of the road)
 - have headlights and tail lights on (mandatory at night and in bad weather)
- When driving your ORV on trails, private property or Crown land (government-owned land), ride in designated areas only. You may require a trail permit and must always have the land owner's permission.

The Harvest Moon

September's full Moon will appear on Friday September 9.

The full Moon that happens nearest to the autumnal equinox (September 22) takes on the name Harvest Moon. Unlike other full Moons, this full Moon rises at almost the same time for several evenings in a row, giving famers extra evenings of moonlight to finish their harvest before fall frosts arrive. Generally the Harvest Moon occurs in September, however, if October's full Moon occurs closer to the equinox then it takes the name Harvest Moon. In this case, September's full Moon becomes the Corn Moon.

- A note about bike riding safety:**
- Remember these safety tips when riding your bike to school!**
- **Wear a proper fitting bike helmet**
 - **Check your equipment** (are you tires flat? do your brakes work?)
 - **See and be seen.** Wear reflective tape or markings and remember just because you can see a driver doesn't mean they can see you!
 - **Control your bike.** Ride with at least one hand on the handle bars and carry school supplies in your backpack
 - **Go with the flow of traffic.** Ride in the same direction as other vehicles
 - **Obey all traffic laws.** A bike is a vehicle and you are a driver. Obey all traffic signs, and lane markings
 - **Be predictable.** Ride in a straight line and signal your moves to others

Stay alert and stay safe!

News from the Lakehead Region Conservation Authority—Sept. 2022 Edition

The LRCA still has some spots available at our upcoming Trees & Fall Colours and Fall Photography Workshop Watershed Explorer programs. Space is extremely limited and pre-registration is required. To register, visit www.store.lakeheadca.com. Programs are free thanks to the generous support of the TD Friends of the Environment Fund.

Autumn is a wonderful time to explore a Conservation Area. The falls colours will be starting soon, and the weather will be cooling off which means less bugs. If you plan on visiting us this fall, consider purchasing an Explore Card Parking Pass for \$40.00 +HST and forgo the \$5.00 per vehicle parking fee. Explore Cards are valid for the calendar year and pay for themselves after eight visits. All revenue generated from Explore Card sales and parking fees is re-invested back into our Conservation Areas.

The LRCA is looking for volunteers this fall to help with several planting projects as part of our stewardship program. Visit <https://lakeheadca.com/stewardship/volunteer-opportunities> to sign up for more information about upcoming planting projects.

The LRCA, in partnership with the Invasive Species Center, has been mapping the location of Invasive Phragmites within the City of Thunder Bay. Using DNA test kits, suspect stands have been sampled to prevent misidentification. Since the beginning of the project two stands have already been treated near the Neebing-McIntyre Floodway. The project will be completed by the end of September 2022.

- Lake whitefish is a freshwater fish belonging to the salmon family
- They live in cold water such as the Great Lakes and other rivers and lakes in Northern areas of North America
- They can reach lengths of 20 to 31 in. and weigh 5 to 20 lbs.
- They have an average lifespan of 25 years but can live up to 50
- They spend most of their time at the bottom of lakes, coming to shallow water to spawn
- Female whitefish can produce 10,000 to 130,000 eggs per season
- **Fun Fact! These fish have the nickname "Humpback" due to their small head and large body giving them a humpback appearance**

A Bit of Gillies History

From the Gilles 100th Anniversary History Book

The Township of Gillies was incorporated on May 31, 1920 by a judge’s order which appeared in the July 10, 1920 edition of the Ontario Gazette.

The first meeting of the council of the newly formed corporation was held in Hymers in the Orange Hall on January 10, 1921. The first order of business was for the council members, Arthur Hayward, Albert Parker, William Edwards and William Mitchell, to take the Declaration of Office in the presence of Reeve Charles Prouty. Mr. Prouty had previously signed the Declaration of Office in the presence of Mr. William Jordan, J.P.

The second item of business was to appoint a township clerk. The motion, moved and seconded by A. Hayward and Wm. Mitchell, to appoint W.G. Williams as office township clerk was carried. Next, a motion put forth by A. Hayward and Wm. Mitchell to appoint Mr. G.E. Hymers as treasurer was approved.

The next municipal election was held on January 9, 1922 with polling booths in the Orange Hall in Hymers and the Institute Hall in South Gillies.

The first Reeve, Charles Prouty, and his wife Emma

First 10 By-Laws of the Township:

1. Raise \$2000 to be expended on the various roads in Gillies.
2. Supplies are for the use of Municipal Business only.
3. Abolishment of the use of statute labour during the year of 1921.
4. The Reeve may arrange for a loan if he finds it necessary for present demands.
5. Prohibiting such animals as bulls, horses, mules, pigs and sheep from running at large on the public highways.
6. Collecting a poll tax of \$3 from persons not assessed as property owners between the ages of 21 and 60.
7. School tax.
8. Raise \$3000 for municipal purposes by taxation on taxable property.
9. Tax levy.
10. Diverting a road around a hill between the 1st and 2nd Concession on Lot 9 (Palisades Road), being a serious obstacle in the building of the road.

Election Information

The 2022 Municipal Election is upcoming. Voting day is October 24, 2022.

An in person poll will take place between 10am and 8pm.

The new council term will commence November 15, 2022.

Council is comprised of one Reeve and four Council Members

For ongoing election news stay tuned to the Gillies website: <https://www.gilliestownship.com/en/our-government/elections.aspx>

Job Opportunity:

The Clerk will be looking for a Poll Clerk within the next few weeks for the upcoming municipal election. Stay tuned to the website for the full job ad.
